Happy Anniversary

Those who are contemplating marriage should consider what will be the character and influence of the home they are founding. As they become parents, a sacred trust is committed to them. Upon them depends in a great measure the well-being of their children in this world, and their happiness in the world to come. To a great extent they determine both the physical and the moral stamp that the little ones receive. And upon the character of the home depends the condition of society; the weight of each family's influence will tell in the upward or the downward scale. (A&C 44:2)

THOUGHT FOR THE WEEK

In the manifestation of God to His people, light had ever been a symbol of His presence. At the creative word in the beginning, light had shone out of darkness. Light had been enshrouded in the pillar of cloud by day and the pillar of fire by night, leading the vast armies of Israel. Light blazed with awful grandeur about the Lord on Mount Sinai. Light rested over the mercy seat in the tabernacle. Light filled the temple of Solomon at its dedication....God is light; and in the words, "I am the light of the world," Christ declared His oneness with God, and His relation to the whole human family. It was He who at the beginning had caused "the light to shine out of darkness." 2 Cor. 4:6. He is the light of sun and moon and star. He was the spiritual light that in symbol and type and prophecy had shone upon Israel. But not to the Jewish nation alone was the light given. As the sunbeams penetrate to the remotest corners of the earth, so does the light of the Sun of Righteousness shine upon every soul. DA465
