Husbands to Be Considerate.--Husbands should be careful, attentive, constant, faithful, and compassionate. They should manifest love and sympathy. If they fulfill the words of Christ, their love will not be of a base, earthly, sensual character that will lead to the destruction of their own bodies and bring upon their wives debility and disease. They will not indulge in the gratification of base passions, while ringing in the ears of their wives that they must be subject to the husband in everything. {AH 125.1}

THOUGHT FOR THE WEEK

When we study the divine character in the light of the cross we see mercy, tenderness, and forgiveness blended with equity and justice. We see in the midst of the throne One bearing in hands and feet and side the marks of the suffering endured to reconcile man to God. We see a Father, infinite, dwelling in light unapproachable, yet receiving us to Himself through the merits of His Son. The cloud of vengeance that threatened only misery and despair, in the light reflected from the cross reveals the writing of God: Live, sinner, live! ye penitent, believing souls, live! I have paid a ransom. {AA 333.2}
